BIGHORN 12®

BIG, THICK, MASSIVE & BEAUTIFUL!

UNVENTED GAS LOG HEATER/VENTED DECORATIVE APPLIANCE

The Top Steak Houses around the world describe the best cuts of meat with terms such as - Certified, Prime, Private Reserve and adjectives like - Hand Cut, Texture, Aged, Thick, Marbling and Meaty.

Firegear proudly presents the finest cut in gas log history! The Bighorn12® features all the same adjectives

Hand Cut – a combination of real wood and creative genius.

Texture – 100% hand carved and designed by our team of experts detailed to look great when the fire is on or off.

Aged & Meaty – with each individual piece we incorporated a combination of age (burned) and fresh cut.

Thick – big and thick, massive and beautiful, all 12 pieces.

Certified – by the most recognized name, UL.®
